

**Dr. Kalidas Shetty**, the Founding Director of Global Institute of Food Security and International Agriculture (GIFSIA), Associate Vice President for International Partnership and Collaborations and Professor of Plant Sciences at North Dakota State University visited SIT on July 23, 2019. He had a discussion on Academic and Research collaborations between SIT and North Dakota State University, USA. They could identify several areas for faculty and student mobility and research collaborations. Dr Shetty also delivered a very interesting talk on “Systems research driven global innovation economy for human resilience” on July 24, 2019 which was well appreciated by the faculty and research scholars of SIT.
