Dear Candidate,

Greetings form Symbiosis Institute of Technology!

I am sure you have scored good marks in JEE (Main)/MHT-CET examination.

At the outset, I thank you for considering Symbiosis Institute of Technology as an Institute of choice for undergraduate studies in engineering.

Symbiosis, as you know, is a name synonymous with quality education, not only in the country but abroad too. Symbiosis Institute of Technology has been ranked 9th among emerging engineering institutes by India Today. During recent ranking (NIRF) by MHRD Government of India, Symbiosis International (Deemed University) - SIU is ranked at 44th in entire country. SIU is approved by AICTE, Reaccredited by NAAC with 'A' Grade and it's a matter of accolade for us that only 60 universities in the country have been granted autonomy by UGC so as to compete with international universities worldwide and SIU is one of them. You can know more about Symbiosis International University by visiting www.siu.edu.in

Your admission counseling/round date, 9th June 2018 for SC/ST/KM/DA and 10th June 2018 for General/Open category, is fast approaching and you must be making arrangements to attend counseling.

I invite you to attend admission counseling on 9th/10th June 2018. If you have a good score, you should get a seat that day. If however, your score is average or low then you can complete all formalities and give your name in the **Waiting List** with the choice of a branch and a demand draft of Rs. 1,50,000/-. You would be given admission as and when seats fall vacant, based on merit. Those who need hostel accommodation will have to deposit a separate demand draft of Rs. 88,000/- to book hostel facility. The remaining hostel fees will have to be paid latest by 26th June 2018.

Although the candidates are welcomed to attend the admission counseling/round, yet the Institute doesn't ensure admission to everyone who reports for counseling.
