MOSAIC

Name of the Club/Student Chapter/Society:

M.O.S.A.I.C

About the Club:

MOSAIC is the official drama and film-making society of SIT Pune. MOSAIC works to build a strong community of actors, scriptwriters, editors, and filmmakers. We produce short films, reels, work on various genres, and perform stage plays and skits.

Highlights of the Club:

MOSAIC has always proved to be one of the most active cultural clubs in the institute. With multiple skits performed in the initial years by the founding members, MOSAIC established itself as a platform for like-minded creative writers. MOSAIC won the runners-up in the 2019 mime competition. Kirdaar and Bollywood, Escape Room events, were organized by MOSAIC in Reverb 2019. During covid-lockdown times, the club ventured into strengthening its digital presence and produced new writeups and content on a weekly basis. The club has also taken part in various competitions like IIT MoodIndigo, SpringFest, Aarohan, Saarang and more.
