Celebrating 50 Years of Excellence

INDUCTION PROGRAMME 2024

Welcoming Inducted Students
to
Department of Civil Engineering

Dr. Lakshmana Rao Mantri, Dy General Manager, Afcons Infrastructure Pvt Ltd, Vice President Tunneling Association of India delivered guest talk to the newly inducted students of Civil Engineering Program. highlighted the Chenab River Bridge, the world's highest railway bridge, which exemplifies India's ability to undertake challenging engineering projects. Other projects included the Mumbai-Nagpur Samruddhi Expressway.

Model making competition "Sticks of Strength" was organized by the students of CESS and ASCE for first year students. The FY students made interesting Bridge models that were tested for load carrying capacity in a unique way designed by their seniors.

Model of India Gate (designed and crafted by the senior students using laser-cutting technology) as a Welcome token to the newly inducted students

Assessing team from PCERF Pune including Dr.Udaykumar Phatak and Shreenivas K. Joshi visited SIT Pune to gauge the progress of the PCERF Pune funded project with Dr. Sanjay Kulkarni and Dr. Sayali Sandbhor. They also interacted with the students working on the project.
