THE BYTE BULLETIN

**THE BIANNUAL NEWSLETTER FROM THE
DEPARTMENT OF CSE**

EDITION: JAN - JUN 2023

TRENDING THIS SEMESTER

- "Students' Achievements Shine: Department and College Proudly Celebrate Award-Winning Scholars"
- "Nurturing Growth: Student and Faculty Development Programs Foster Learning and Success"
- New Clubs Unveiled at CSE Department: ACM Student Chapter & Cyber Blockchain Club Set to Make an Impact!
- Industry Insights and Global Experience Await: CSE Department Offers Internships, GIP Opportunities, and Industry-led Sessions

This edition of our newsletter, "The Byte Bulletin," brings you the latest updates and groundbreaking developments in the Department of Computer Science. We want to catch your imagination and ignite your passion for the ever-changing field of CSE with an uncompromising dedication to excellence.

This edition takes us on an incredible journey. With their pioneering research, awe-inspiring initiatives, and significant contributions, brilliant academics, hardworking students, and distinguished alumni are defining the future of technology.

VISION AND MISSION

VISION OF THE DEPARTMENT

To evolve as a centre of excellence in Computer Science and Engineering to produce skilled and proficient global professionals to build the society.

MISSION OF THE DEPARTMENT

- To provide the conducive environment for establishing students in the global platform of research and innovation.
- To educate students on cutting edge technologies with problem solving capabilities, leadership and teamwork skills.
- To inculcate the professional values with lifelong learning through curricular and co-curricular activities and create globally-aware disciplined citizens.
- To commence various initiatives for motivating students to work for the betterment of society.

PROGRAM EDUCATIONAL OBJECTIVES

PEO1: Apply their skills with research orientation and establish themselves globally.

PEO2: Apply problem solving and emerging technology skills for designing solutions .

PEO3: Apply technical and leadership skills to be a successful entrepreneur.

ACM STUDENT CHAPTER

We are proud to unveil the logo of the ACM Student Chapter@ Dept. of CSE and AIML, SIT.

ACM Student Chapter was inaugurated by Dr. Sonali Patil, Professor and Head from PCCOE.

ACM the Association for Computing Machinery is the world's largest educational and scientific computing society.

The ACM serves as an essential resource for computing professionals, providing access to the latest research, opportunities for networking and career development

Opening the chapter gives new opportunities for all the SIT students to showcase their skills and utilize their talent and acquisition.

We congratulate the students and the faculty members and best wishes for the success of the student chapter.
